Child Usage Requirements

This product is for use **ONLY** with the Nuna SENA aire mini and is suitable for use from birth, with children who meet the following requirements:

Age: approximately 5 months of age

Discontinue use of the topper when the child begins to roll over, or can pull up on sides.

Parts List

Make sure all parts are available before assembly. If any part is missing, please contact Nuna (see page 4 for information). No tools are required for assembly.

- 1 Topper
- 2 Harness Cover
- 3 Harness Buckle
- 4 Harness Straps
- 5 Clips

WARNING

Failure to follow these warnings and the instructions could result in serious injury or death.

This product is for use **ONLY** with the Nuna SENA aire mini.

The topper must be fully installed before using. **NEVER** use this product if there are any loose or missing fasteners, loose joints, broken parts, or torn mesh/fabric. Check before assembly and periodically during use. Contact Nuna for replacement parts. Never substitute parts.

NEVER leave child unattended.

This product is not intended for prolonged periods of sleep.

Fall Hazard

To prevent falls, stop using the product when infant:

- Begins to roll over, or
- Can pull up on sides (approximately 5 months of age).
- **ALWAYS** use restraint system.

Entrapment Hazard

NEVER leave topper in place when child is in bassinet or play yard.

Suffocation Hazard

Infants have suffocated:

- On added pillows, blankets and extra padding
 - **ONLY** use the pad provided by Nuna.
 - **NEVER** place extra padding under or beside infant.
- When trapped between product and adjacent surfaces
 - **ONLY** use in play yard when it is securely attached.
 - **NEVER** use topper in different product.
- **ALWAYS** place child on back to sleep.

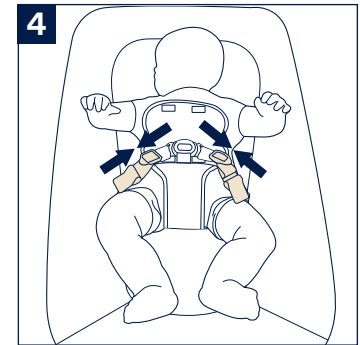

Strangulation Hazard

Strings can cause strangulation! **DO NOT** place items with a string around a child's neck, such as hood strings or pacifier cords. **DO NOT** suspend strings over topper or attach strings to toys.

NEVER place the product near a window where cords from blinds or drapes can strangle a child.

Product Use

- 1 - Place the topper on the play yard and fasten the 8 clips of the topper onto the edges of the play yard by pushing them down into place.
- 2 - Pull the topper softgoods over the edges of the play yard. Make sure the topper is attached to the play yard securely.
- 3 - Release the harness buckle by pressing the center button. Place the baby into the topper, then lock the buckle.
- 4 - Adjust the harness straps to the proper tightness.
- 5 - Secure the hook and loop harness cover.

Cleaning and Maintenance

Refer to the care label attached to the soft goods for washing and drying instructions.

1 - To wash your topper, undo the hook and loop fasteners on the under side of the topper and pull the board out.

⚠ **NEVER** use the topper without the board installed.
